General recommendations for parents

Opening hours

- Doors open at 8.50 in the morning (except for breakfast club)
- Doors of morning session close at 12.00
- Afternoon session finishes at 16.00

Garden Gate

- **Always close one gate before opening the other**
- Think about the safety of all children, not only your own
- Forget about politeness: do not hold the gate open for a parent if the other one is open!

Late

- If you are late to collect your child at 12:00, please let us know.
- If we do not hear from you we will bring your child to the Main School.
- Please, let us know in writing of any changes regarding the collection of your child
- In emergency and if nobody known by us can come, please give a letter to the person collecting your child.

Sickness

- Please, if your child is sick; let us know early so that we can reassure the other parent

Cleanliness

Please bring your child clean in the morning (nappy)

- If he/she has “an accident” in the car, please feel free to use the facilities and change him/her yourself, as we are all busy welcoming children and parents in the morning

- Likewise, at 12.00, when you collect your child, if he/she has an accident at 5 minutes to 12.00, please ask one of the team to change him/her.

Potty training

When your child is just beginning to be potty trained, we want you to:

- Accompany him/her to the toilet when you arrive in the morning
- We will bring him/her to the toilet before snack, after snack, before he/she goes home
- We will not ask him/her every 10 minutes as he/she at school and not at home and must respect routine.
- If your child is ready-wearing pull ups, but prone to accidents, please give us a nappy to avoid undressing him/her completely when we change him/her.
- Please avoid bodies, belts, and dungarees. Remember the aim is to promote autonomy.
- Please remember, that even if your child is potty-trained, events like starting school, a new baby, moving to a new house..., might regress him/her temporarily.

Clothing

- The school has no uniform: we believe that dressing differently at this age will promote the children self-esteem and give opportunities to develop language.
- Please dress your child sensibly to allow him to participate fully in all activities.
- Please, mark all items of clothing, in particular, hats, scarves, gloves
- Please, bring back any clothes we give you when changing your child.

When raining, please, bring your child in boots. Going outside in all weather is important for your child.
