Your children - our priority!

We put our hearts and souls into creating a safe, clean, comfortable, and engaging environment where children come to play and learn Russian naturally from native-speaking teachers. We provide comprehensive and age-appropriate learning experience through games, arts and crafts, music and dance, songs and rhymes, celebrations, and cultural traditions from throughout the Russian speaking world.

In our nursery we celebrate Autumn and Harvest Festival, New Year's Day, Mother's and Father's days, International Day, World War II Memorial Day, Talent and Skills and End of School Year.

Please visit our "*Our daily routine*" page to discover what children do during the day and how our customized schedule aims at achieving the best possible play/study/rest balance for your children.

In addition to academics, our strong focus is on nutrition and daily meal planning. Please visit our "*Menu*" page to see how we take special care in creating a healthy and nutritious menu of home cooked meals weekly. All nursery meals are prepared freshly on site every day.

We are proud of having a spacious playground where children can learn through play and discovery, have fun and relax in a cosy home-like atmosphere under the supervision of caring, professional, DBS checked and fun-loving educators.

What Makes Us Special

Take a look at what some of our parents say about *Vishenka* nursery in North Kensington, London.

«Мы большие поклонники коллектива Вишенка. Отводя нашего сына в садик на целый день (утром - Вишенка, днём- продлёнка), мы видели с каким удовольствием ребёнок оставался на полный день. Мы безумно благодарны учителям за безлимитные объятия, за профессионализм, за безграничное понимание ребёнка и его потребностей. А главное: за диалог с родителями и индивидуальный подход. В 4 года наш сын знает русский алфавит, цифры, знаком с русской культурой и уже читает по слогам!»

- Елена

«От всей души хотим поблагодарить Вас за фантастические месяцы 2022 года! Иоанна и Ангелиной никак не могут поделить 'их Лючию'. И как же мы их понимаем! У Вас удивительный талант находить подход к каждому ребёнку (и даже их родителю!), заинтересовать, вовлечь, подбодрить, научить! И все так по-доброму, легко, с огромным тёплом, которое чувствует каждый, отказывающийся рядом. Спасибо Вам за счастливые глаза наших детей! Нет ничего дороже этого подарка, который Вы лично дарите нам каждый день!»

- Татьяна

«Вот и закончился наш последний день в Вишенке. Это был насыщенный, очень плодотворный и хороший год. Ясмينا многому научилась и очень привязалась к учителям и детям. С тех пор, как во вторую смену стала работать Лючия, в садик мой ребёнок ходит с огромным удовольствием. У нас практически перестали теряться вещи (а если и теряются, то всегда находятся). Ребёнка всегда возвращают

аккуратным. Она всегда полна эмоций и впечатлений от занятий и даже во время болезни или каникул просится «к моей Лючии».

Спасибо вам большое, Лючия, за внимание и любовь к нашим детям. Нам безумно грустно расставаться».

– Наталья

«Хочу выразить огромную благодарность педагогическому коллективу детского сада Вишенка за чуткое и заботливое отношение к моим деткам, 2х-летним двойняшкам, Оливии и Тайлеру.

Дети посещают детский сад с огромным удовольствием! Воспитатели всегда встречают их с улыбкой и хорошим настроением, находят индивидуальный подход к каждому ребенку. Они всегда на связи с родителями, и готовы пойти на встречу по любому вопросу.

В детском саду всегда уютно, тепло, вкусно кормят и царит дружелюбная и домашняя атмосфера!

Воспитатели - настоящие профессионалы своего дела. В первую очередь чувствуется, что к детям относятся с большой любовью. В каждом ребенке видят - личность, и это бесценно!

Организация досуга обеспечена на высшем уровне, дети всесторонне развиваются. В частности послеобеденная смена включает в себя занятия по эмоциональному и физическому развитию. Также с детками занимаются развитием речи, навыками чтения и письма, математикой, восприятием окружающего мира. Им прививают аккуратность, этикет и эмпатию.

Стоит подчеркнуть объём и разнообразие творческих занятий и «лабораторию научных чудес», которые проводит воспитатель Лючия с детьми во второй половине дня. Дети в восторге!

За время пребывания в садике у моих детей значительно расширился кругозор, обогатилась речь, появилось желание учиться большому. Они стали гораздо увереннее в себе и любознательнее. Ждем с нетерпением следующего учебного года!»

- Евгения

“Our daughter has enjoyed her first weeks at Vishenka. She talks about the garden, the teachers and her friends. The teachers have made her feel welcome. We can see the care and expertise of the teachers. Спасибо!”

- Darren

“A big thank you to Vishenka nursery. Our daughter is having a great time and eager to go to the nursery every day.

It’s worth mentioning the strong education program as our daughter after only two weeks started to remember short riddles and spend more time drawing and playing creative games. Our sincere thank you for amazing work!”

due time. Any missing document or payment will incur a cancellation of the application in our files.

o Pupils are enrolled based on their year of birth. (NB: Child has to be two full years old on the 1st day of his/her intake. Younger children may be also enrolled (subject to certain conditions)).

o Vishenka/LPEBL will offer a school place depending on the availability in the group on the date of the child's intake.

o Priority will be given to a child who already has a sibling registered in our school.

o In the case of multiple applications in a year group, priority will be given to the older child.

o When applying for a child with Special Needs (whether the needs are regarding learning, physical abilities or health issues), parents need to confer directly to the Head Teacher who will determine the frame which Vishenka/LPEBL is able to set up to welcome the child and ensure her/his progress and safety. The School Place offer is then conditioned by the agreement of both parties on the proposed frame.

o As detailed in the Terms & Conditions: Any withholding or misrepresentation of information or facts about the family or the child is considered as a breach of contract which LPEBL will terminate consequently keeping any paid sum.

ARTICLE 5 - 1st ENROLMENT FEES

- o The registration fee of £160 and £600 advance for the 1st term a child starting the school. These payments are not refundable if the Parents later decide to withdraw their child whatever the reason for cancellation.
- o £600 deposit for the last term. If contract is terminated in the middle of the term £600 deposit stays in the school if 1 term (90 days) notice was not given in writing.

ARTICLE 6 - SCHOOL FEES

For financial purpose, the school year is divided into three periods called terms, detailed as follows: September/October/November/December – Term 1; January, February, March/April – Term 2; April, May, June, July – Term 3.

Fees are payable at the first week of the beginning of each term as stated in the calendar. The school reserves the right to refuse to admit a child if fees have not been paid, even in the middle of the school year.

Parents are made aware of school fees for the next year during the second term.

There is a 10% discount from the second child. This discount is applied to school fees only and is not to be applied to any other fees such as after-school care.

Fees for any started term will not be refunded and remain retained by the school.

In the case of a legal decision to change school, the fee for the term currently in process remains due to the school.

Tuition fees will be payable in full for intakes occurring within the 1st period of each term (school calendar available on the school's website). For intakes occurring after the 1st period, tuition fees are calculated pro rata the attendance of the child.

Barring serious motives or circumstances beyond control, *Vishenka*/LPEBL undertakes to honour its commitment with regard to a child's schooling whenever the Parents have correctly regularized the fees, with the exception of a legal decision ordering schooling into a different establishment.

The Financial Policy is fully part of the Terms & Conditions and sets out all the financial dispositions Parents' consent to.

ARTICLE 7 – ATTENDANCE

Parents have to seek *Vishenka*/LPEBL's consent in writing for any planned absence: *Vishenka* manager or LPEBL Headteacher will grant the authorisation for absence or not. If a child is away for more than two weeks a 50% of the fee deposit is payable to keep the place. Funded children should have a valid reason for absence. If a child hasn't attended a large volume of the claimed hours without a valid evidence, a full term fee is payable. No leave of absence will be granted when Parents take their child on holiday in term time. Fees for a term will not be refunded where the child is absent due to sickness or for any other reasons.

ARTICLE 8 - TERMINATION

Parents have the right to terminate the current contract by sending a **notice in writing ninety days before the start of the following term**. When failing to respect the cancellation notice, the next term remains payable to *Vishenka*/LPEBL and £600 deposit for the final term is not refunded.

Parents may terminate this contract with effect from the next school year by not re-registering. *Vishenka*/LPEBL has to be informed of the contact details of the next school the child will attend.

If Parents withdraw their child during the course of a term, *Vishenka*/LPEBL has to be notified in writing, giving details of the next school the child will attend. The school will invoice the fees for the whole term.

Vishenka/LPEBL may terminate the contract at any time by notice in writing without any obligation to return any fees or deposit paid by parents in the case the pupil or the Parents find themselves in breach of the Terms & Conditions and/or any of the School Rules. Any withholding or misrepresentation of information or facts about the family or the child is considered as a breach of contract which *Vishenka*/LPEBL will terminate consequently keeping any paid sum.

ARTICLE 9 - ACTIVITIES DURING THE HOLIDAYS

Aware of the particular difficulties linked to nursery and school holidays and organization of same, the nursery and school may prepare organized activities during all school holidays, for which a specific convention is formed with Parents. It is understood that corresponding fees are payable in totality, also in advance, and are due to *Vishenka* nursery or LPBEL, including ulterior renunciation from Parents. However, these fees are totally reimbursed if the education/activities are not performed due to reasons enumerated by *Vishenka* nursery or LPBEL.

General recommendations for parents

Opening hours

- Doors open at 8.50 in the morning (except for breakfast club)
- Doors of morning session close at 12.00
- Afternoon session finishes at 16.00

Garden Gate

- **Always close one gate before opening the other**
- Think about the safety of all children, not only your own
- Forget about politeness: do not hold the gate open for a parent if the other one is open!

Late

- If you are late to collect your child at 12:00, please let us know.
- If we do not hear from you we will bring your child to the Main School.
- Please, let us know in writing of any changes regarding the collection of your child
- In emergency and if nobody known by us can come, please give a letter to the person collecting your child.

Sickness

- Please, if your child is sick; let us know early so that we can reassure the other parent

Cleanliness

Please bring your child clean in the morning (nappy)

- If he/she has “an accident” in the car, please feel free to use the facilities and change him/her yourself, as we are all busy welcoming children and parents in the morning

- Likewise, at 12.00, when you collect your child, if he/she has an accident at 5 minutes to 12.00, please ask one of the team to change him/her.

Potty training

When your child is just beginning to be potty trained, we want you to:

- Accompany him/her to the toilet when you arrive in the morning
- We will bring him/her to the toilet before snack, after snack, before he/she goes home
- We will not ask him/her every 10 minutes as he/she at school and not at home and must respect routine.
- If your child is ready-wearing pull ups, but prone to accidents, please give us a nappy to avoid undressing him/her completely when we change him/her.
- Please avoid bodies, belts, and dungarees. Remember the aim is to promote autonomy.
- Please remember, that even if your child is potty-trained, events like starting school, a new baby, moving to a new house..., might regress him/her temporarily.

Clothing

- The school has no uniform: we believe that dressing differently at this age will promote the children self-esteem and give opportunities to develop language.
- Please dress your child sensibly to allow him to participate fully in all activities.
- Please, mark all items of clothing, in particular, hats, scarves, gloves
- Please, bring back any clothes we give you when changing your child.

When raining, please, bring your child in boots. Going outside in all weather is important for your child.
